BASTIONS
TOURNAI SHOPPING

Iconic location

Shopping centre Les Bastions takes its name from its iconic location on the site of the ancient city wall. Today the centre is regarded as a “bastion” of Tournai.

Warm & luminous

In 2018 after major extension and renovation works, Les Bastions reopened to become the main retail attraction of the city. It offers its customers a warm and luminous atmosphere.

Transformation into Full Service Centers

In the coming years, all Wereldhave centers will be transformed into Full Service Centers, a new type of commercial real estate where **we create value for our business partners** by catering to our visitors' daily needs.

Better daily lives

We offer our visitors **one-stop locations that provide a fun and hospitable environment in which to satisfy their daily needs:** shopping for basics and other goods and services, leisure and entertainment, self-expression, and health and well-being.

Better business

We create **added value for our business partners and the communities we serve** by offering an ideal customer experience. We offer our business partners locations with strong commercial opportunities where the right mix of synergies and added services yields maximum results.

More and better services

In addition to **managing the locations actively with dedicated teams**, we add value by offering smart services and strong concepts that cater to the needs of both our business partners and consumers.
